Weber State University is continually working to make it easier for students to access information and receive the assistance they need. Students may apply for admission and access registration, transcripts, and a lot more on the Internet at weber.edu. Evening assistance is available at the One Stop Shop evening office, which is open until 7:00 p.m. Monday-Thursday (Student Service Center, Room 140). Academic advisement, admissions, registration and other enrollment services are also provided at the Davis Campus**. Class schedule information for specific semesters is available on the WSU home page (weber.edu).

Information on records, grading and transcripts; academic standards and eligibility; credit by examination or petition; and graduation requirements is provided in this catalog under the Academic Information section beginning on page 33.
Students who have completed fewer than 30 semester credit hours, will be considered transfer students. Transfer Students

Students who have attended another college or university after high school graduation, and have completed the equivalent of at least 30 semester credit hours, will be considered transfer students. Students who have completed fewer than 30 semester hours will be considered freshman (see above). These students will also receive transfer credit based on the guidelines on the next page.
**Application Steps for Transfer Students**

1. Submit an application for admission.
2. Pay the $30 application fee.
3. Submit an official transcript from EACH college or university previously attended. The transcript must be sent directly to the WSU Admissions Office.

**Transfer Credit**

Students transferring to WSU with an Associate of Arts or an Associate of Science degree earned at any institution within the Utah System of Higher Education (USHE), will be considered as having met the WSU general education requirements. Students transferring from a college or university within the USHE after having met that institution's general education requirements, upon certification of the registrar at that institution, will be considered as having satisfied the WSU general education requirements.

Credit for courses numbered 1000 or above for a semester course are transferable to WSU when earned at a USHE institution. Credit will be carried on the student's transcript by WSU but may not apply towards certain degree requirements. WSU Academic Departments will determine transfer credits acceptable toward their majors.

Credit for students transferring from regionally accredited colleges and universities outside the Utah System of Higher Education will be evaluated on a course-by-course basis.

**International Students**

International applicants with no prior college or university credit will be considered for admission by submitting evidence of the U.S. equivalent of a high school diploma with a cumulative grade point average equal to, or above, the U.S. equivalent of 2.50. International applicants who have attended a U.S. college or university must have a cumulative grade point average equal to, or above, the U.S. equivalent of a high school diploma with a cumulative grade point average equal to, or above, the U.S. equivalent of 2.00. International students must attend every semester and take at least 12 credit hours each semester. All international students are required to meet with the International Student Advisor immediately after arriving on campus to receive individualized guidance (refer to Services for International Students). The International Student Advisor gives assistance to students in meeting U.S. Immigration and Customs Enforcement requirements concerning visas, passports, permits, permission to work, and related matters. Students are also assisted in making academic, social, and environmental adjustments to campus and community life.

International students must carry medical insurance each term. If you wish to apply for a graduate program at WSU, you will need to apply for admission with the graduate program in addition to applying to the University. Your academic credentials must be evaluated to verify that you have the equivalent of a USA bachelor's degree. The WSU Admissions office will notify the graduate program once your credit evaluation report is received. You will need to meet the graduate program's admission requirements before you can be issued an I-20.

If you are transferring from a college or university within the United States with at least 30 credit hours and a 2.5 GPA or higher, you will be considered a transfer student. You will need to inform the school you previously attended that you wish to transfer to Weber State University and submit a Transfer Authorization form. If you are transferring from a school outside of the U.S., you will be considered a freshman until your credit evaluation report is received and entered into your student record by the WSU Admissions Office.

A TOEFL score is not required for admission to WSU; however, if you do have a TOEFL score of 500 (173 computer based) or higher, you will not have to take English as a Second Language (ESL) courses. With no TOEFL score, or with a score below 500, you will have to take an admission test to determine your English level.

**Additional Requirements**

International students must attend every semester and take at least 12 credit hours each semester. All international students are required to meet with the International Student Advisor immediately after arriving on campus to receive individualized guidance (refer to Services for International Students). The International Student Advisor gives assistance to students in meeting U.S. Immigration and Customs Enforcement requirements concerning visas, passports, permits, permission to work, and related matters. Students are also assisted in making academic, social, and environmental adjustments to campus and community life.

International students must carry medical insurance each term.

**Assessment and Placement**

All new students will be assessed based on their ACT sub-scores and then placed into developmental courses, if applicable, based on the information outlined in the WSU Assessment & Placement Standards document. The purpose of this policy is to help students succeed academically by matching their skills and knowledge with the appropriate academic course(s) in math, reading, and English. For specific information about the policy go to the online Policies and Procedures Manual (weber.edu/ppm/6-02.htm).

**Developmental Course Fee**

**Readmitted/Reactivated Students**

Students who interrupt their enrollment at WSU by not registering for one or more semesters, with the exception of summer term, must contact the WSU Admissions Office to reactivate their file.

- Students with less than one year’s absence, and who have not attended any other university or college during that time, may call the WSU Admissions Office at 801-626-6743 to reactivate their files.

- Students who have attended another school since last attending WSU will be considered transfer students and must submit an official transcript from each institution attended since last enrolling at WSU along with a $10 re-application fee.

**Admission Appeal Process**

An information sheet highlighting grounds for appeals to admission decisions is available at the WSU Admissions Office.

**Utah Residency**

The Admissions Office classifies all applicants as either resident or non-resident. Applicants whose credentials indicate out-of-state status are classified as non-residents. If there is doubt concerning resident status, an applicant is classified as a non-resident.

Non-residents who have reason to believe they can qualify for resident status should file a residency application with the Admissions Office. Applications are accepted only until the end of the third week of the current semester. Any application received after the third week will be considered for the following semester only.

Residency applications are available in the Admissions Office. Each application will be considered in accordance with the provisions of Utah Code Annotated 53B-8-102 and Utah State Board of Regents Policy and Procedures R-512 and WSU PPM 6-01.

FINANCIAL AID

Director: Jed W. Spencer
Location: Student Service Center, Room 120
Telephone: 801-626-7569
Internet Address: weber.edu/scholarships

The Financial Aid Program was established to assist students in achieving educational goals. The following sources of financial aid are available for eligible students:

Grants - funds that are considered gifts and do not have to be repaid if satisfactory progress is maintained.

Student Loans - funds that are loaned to students and must be repaid.

Work-Study - employment opportunities that allow students to earn funds to help pay for school.

Each form of financial aid has different regulations. The following is only a brief summary of the financial aid process. Students desiring financial aid should contact the Financial Aid Office as early as possible for guidance and assistance. The priority deadline for financial aid is March 1.

General Eligibility Requirements

• Meet the admission requirements of WSU as described in the Admissions section of this catalog. (Conditional admission does not qualify for federal aid.)

• Be enrolled or accepted for enrollment in a program that leads to a degree or certificate at WSU.

• Be a U.S. citizen, permanent resident, or other eligible non-citizen.

• Be registered with the Selective Service, if required.

Weber State University 2007 – 2008 Catalog
• Sign a Statement of Educational Purpose/Certification outlining refund and default penalties.
• Be in good standing (not in default) on any student loan, federal loan or grant. (Any previous student loans must be within the annual limits.)
• Maintain satisfactory academic standing.

(See Satisfactory Progress in the next column.)
• Have a correct Social Security Number.

Types of Financial Aid Available at WSU

Grants/Gifts
Grants are gifts that do not have to be repaid if satisfactory academic progress is maintained. All grants require a minimum GPA of 2.00 by the end of the second year (60 credit hours). All grants require that the student demonstrate a financial need. The types of grants available are:

- Federal Pell Grant - Available to undergraduate students. Awards may range up to $4,000 per year.
- Federal SEOG (Supplemental Educational Opportunity Grant) - Awarded to help undergraduates pay for their education after high school. Awards may range up to $4,000 per year.
- LEAP Fund - Available only for Utah resident undergraduate students. The maximum yearly award varies.
- UCOPE (Utah Centennial Opportunity Program for Education) - Available only for Utah resident undergraduate students. Maximum yearly award varies.

HPEA/GRANT

Student Loans
Loans are aid that must be repaid. The types of loan programs available are:

- Federal Perkins Loan (formerly National Direct Student Loan)
- Federal Family Education Loan (FFEL)
  - Subsidized Stafford
  - Unsubsidized Stafford
  - Federal Parent Loan for Undergraduate Students (FPLUS)

Employment - FWSP (Federal Work-Study Program)
This program provides jobs for undergraduate and graduate students who meet the basic eligibility requirements for financial aid and demonstrate financial need. Jobs are available both on-campus and off-campus. The Career Placement Center (Student Service Center, Room 230) has a listing of all available jobs and, where possible, will help students with employment that relates to their course of study. Work study earnings are not reported as income in the application for federal aid, which makes the student eligible for more grant money.

Application Process
Students should first determine if they are eligible for financial aid. Refer to General Eligibility Requirements above. The early application deadline is March 1; this does not guarantee receipt of any specific type or types of grants. Applications received after the deadline will be processed as quickly as possible with no guarantee that the award will be ready to meet fall semester tuition and fees payment deadlines.

Application Steps
The WSU FINANCIAL AID CODE IS 003680. This code will be needed to complete your application. All applications and forms are available online at www.weber.edu.

1. Complete the Free Application for Federal Student Aid (FAFSA) or the Renewal Application (for continuing students). (Students should make a copy for their records.)

Students apply for Federal Student Aid via the Internet at http://www.fafsa.ed.gov
2. Complete the WSU Supplemental Application for Financial Aid form (available online at weber.edu/financialaid).
3. Submit a copy of the student's personal 1040 tax return, if filed, and spouse and/or parent 1040 forms, if applicable.

Special Requirements

- Married students under 24 years of age with no dependents must submit a copy of their marriage certificate.
- Students applying as Separated/Divorced or with parents who are Separated/Divorced, must also submit a copy of the Separation/Divorce Decree.
- Students who are eligible non-citizens must also submit a copy of their Alien Registration Receipt Card (forms I-151, I-551, I-1551C, or I-94 with proper endorsements).

Students are advised to apply online (see items 1 and 2 above for appropriate Web sites). Applications will go through a Federal “needs analysis.” The ability of a student and the student’s family to contribute, as well as other resources, will determine the need for financial assistance. Students will receive a Student Aid Report (SAR) which will provide information on family contribution and financial need. To make changes to the data, students should contact a Financial Aid counselor.

When a student's file is complete, an award notice will be e-mailed to the student directing them to the web which will list the financial aid programs and the monetary amounts for which the student is eligible. Students should accept their award online at weber.edu/financialaid.

An award may be canceled if the Award Offer is not accepted within the specified time period.

Satisfactory Progress
Students working toward a bachelor's degree may receive financial aid up to a maximum of 189 semester credit hours. For students enrolled in a two-year degree program the maximum credit hours will be prorated accordingly.

Qualitative (Academic Standing)
In addition to the University's standards, all students who receive financial aid must maintain at least a “C” average cumulative GPA (2.00) by the end of their second year of attendance. Students not meeting this requirement will be disqualified from financial aid until they bring their cumulative GPA to the minimum requirement.

Quantitative (Completion Rate)
Students who receive financial aid must satisfactorily complete (receive grades other than I, T, W, UW, NC, E, or AU) a specified minimum number of credit hours based upon their award level. Any exceptions to this requirement must be approved by the Financial Aid Committee. Only cases resulting from mitigating circumstances will be reviewed by the committee.

Eligibility Status
Students who receive financial aid and are under the minimum number of credit hours required by their award level will be put on probation or suspended from financial aid.

Students may reduce the deficit hours by taking extra credits each semester or enroll in the summer term without using financial aid. (Transfer work cannot be used to reduce a WSU deficit.)

Credit hours transferred from other colleges/universities will be included in the total hour eligibility for satisfactory progress whether or not financial aid was received at the other institution(s).

If students change their program of study, credit hours completed for the previous major or majors will still be included in the total number of
hours for financial aid eligibility even though the credit hours may or may not satisfy program requirements for the new major.

**Appeals & Reinstatement of Aid**

Students disqualified from financial aid can regain eligibility by making up deficit hours without using financial aid and/or by bringing their cumulative GPA to at least 2.00.

Appeals for an exception from satisfactory progress requirements may also be made to the Financial Aid Committee.

**Withdrawals and Return of Title IV Funds**

Up through the 60% point in each semester or period of enrollment, a pro rata schedule is used to determine the amount of FSA funds the student has earned at the time of withdrawal. After the 60% point in the semester or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

If a recipient of Title IV grant or loan funds withdraws from a school after beginning attendance, the amount of Title IV grant or loan assistance earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned. You may contact the Financial Aid & Scholarship Office for any questions at 801-626-7569 or e-mail financialaid@weber.edu.

WSU returns Title IV funds to the programs from which the student received aid during the semester or period of enrollment as applicable, in the following order:

1. Unsubsidized Federal Stafford loans.
2. Subsidized Federal Stafford loans.
7. Other awards (e.g., LEAP, UCOPE, and UHEAA Grants).

**Student Expense Budget (Cost of Attendance)**

The cost of attending Weber State University includes direct educational costs such as tuition, fees, books and supplies, as well as living costs such as room and board. Below is a table that gives an approximate budget for students attending the 2006/2007 fall and spring semesters. Students should use this only as an estimate when planning their education expenses.

Registration Appointments
Registration appointments are issued to new and continuing students one week before registration begins each semester. During this week students may obtain a registration appointment by accessing the Internet at weber.edu (click on "current students" and then log in with your Wildcat ID and password).

Students are assigned a registration appointment time on the basis of their earned hours. Earned hours include hours earned with a passing letter grade and hours earned through credit by examination.

First Registration Phase
(Rегистration by Appointment)
• During this registration phase, students may register starting on their appointed day.
• On their assigned day and appointed time, students should access the registration system on the Internet at weber.edu (click on "current students" and then log in with your Wildcat ID and password).
• Billing statements for tuition and fees are mailed following the first registration phase, and students may pay by mail, by credit card or on-line to avoid lines at the cashier's windows.

Second Registration Phase
(Open Registration)
Once appointment registration is complete, "open registration" continues and all students are allowed access to register and/or make changes to their class schedules on a first-come-first-served basis.

• During the second phase of registration, all students may register or make changes by accessing the registration system on the Internet at weber.edu (click on "current students" and then log in with your Wildcat ID and password).
• Billing statements will not be mailed following this phase.

Changes in Registration
• Students may add and drop classes via the Internet or at the registration windows (main campus, Davis campus, West center and Morgan center) during the first and second registration phases and during the first week of the semester.
• During the second week of the semester, students may drop classes at the registration windows at their own discretion, but classes can only be added with instructor approval.

Students may add and drop classes via the Internet or at the registration windows (main campus, Davis campus, West center and Morgan center) during the first and second registration phases and during the first week of the semester.

Changes in Registration
• Students may add and drop classes via the Internet or at the registration windows (main campus, Davis campus, West center and Morgan center) during the first and second registration phases and during the first week of the semester.
• During the second week of the semester, students may drop classes at the registration windows at their own discretion, but classes can only be added with instructor approval.
• Classes may also be dropped during the third week of the semester, but they may not be added.

For information on dropping classes after the third week, see the instructions for Withdrawal.

Students are strongly encouraged to plan their class schedules in consultation with an advisor to avoid unnecessary changes and ensure efficient progress toward completion of degree requirements.

Students receiving financial aid should be careful not to reduce their credit hour load below the minimum number of hours required by their award level.

The deadlines for adding or dropping courses during the summer term will vary.

Closed Classes
• Only academic departments and instructors have the authority to admit students to closed classes.
• Students may contact the individual department and/or the instructor for specific procedures regarding admission to closed classes.

Credit/No Credit (CR/NC) Registration
• Students may choose to register for a class on a credit/no-credit basis within the following guidelines. (These restrictions do not apply to courses which are offered only on a CR/NC basis as listed in the course description.)
• Students who have completed less than 30 credit hours may register for only one CR/NC class per semester.
• Students who have completed 30 or more credit hours, and have a cumulative GPA of at least 2.00, may register for a maximum of two CR/NC classes per semester.
• The CR/NC option may be selected via the Internet or in-person at the registration windows during all phases of registration, i.e., through the first week of the semester, or a course may be changed to CR/NC within the first nine weeks of the semester.
at the registration windows in the Student Service Center on the main campus, or at the Davis campus, West center or Morgan center.

The deadlines for the summer term will vary.

Please Note:
- CR/NC courses do not count toward general education or major/minor requirements.
- A maximum of 20 hours of CR/NC courses may be applied toward graduation.
- Credit (CR) will be recorded for earned letter grades of C- and above.
- No Credit (NC) will be recorded for grades below C-.
- Students who stop attending a class for which they have registered CR/NC, without officially withdrawing, will be given an NC grade entry for that class.
- Students who later change their program of study and need a letter grade for major or minor requirements may petition through the Registrar's Office for a CR to be changed to a letter grade.

Audit Course Registration
- Students may register to attend a class on an "audit" basis, i.e., without earning credit or a grade, if there is space available in the course.
- A course may be selected for audit during registration or changed to audit within the first nine weeks of the semester with the consent of the instructor.

The deadlines for the summer term will vary.

Please Note:
- Audit students failing to attend class may be issued a withdrawal (W) at the discretion of the instructor.
- Tuition and fees must be paid according to the current schedule.
- Some courses are not open to audit registration.
- Senior Citizens (Utah residents ages 62 and over) may audit a course for a $10.00 fee per semester, on a space available basis, by applying at the Admissions Office. Senior Citizen students selecting this option for courses do not have the option to receive a letter grade nor credit on their transcript for these courses.

Registration Credit Hour Loads
- It is recommended that undergraduate students planning to graduate with a bachelor's degree in four years register for at least 15 credit hours per semester.
- Undergraduate students are classified as full-time if they register for 12 or more credit hours, as three-quarter time with 9 credit hours, and as half-time with 6 credit hours.
- Graduate students are classified as full-time if they register for 9 or more credit hours, and as half-time if they register for 5 or more credit hours.

Overload Registration
- Students may register for a maximum of 20 credit hours without special permission.
- Students with a cumulative GPA of 3.50 or better may petition for a maximum of 24 credit hours, and students with a cumulative GPA of 3.75 or better may petition for additional credit hours. Petition forms are available from academic departments or the Registration Office.

Withdrawal
- Students may drop classes via the Internet or at the Registration windows until 10 days prior to the first day of class.
- To drop courses 10 days prior to school through the end of the third week, students must send a written request to the Registration Office.
- From the fourth through the ninth week of the semester, students may withdraw from individual classes by completing a "Withdrawal from Class" form and submitting the completed form to the Registration Office. Courses dropped during this period will appear on the transcript with a "W" notation.
- Students may completely withdraw from the semester by dropping all classes at the Registration Office, at the Davis Campus, by fax, or by e-mail, up to and including the last day of the ninth week of the semester. A "Complete Withdrawal" form must be completed. The notation "Registered and Withdraw" will appear on the transcript of students who completely withdraw.

Tuition and Fee Assessment

Weber State University does not drop courses for nonpayment. Students are responsible for dropping courses they do not plan to attend. Tuition and fees will not be waived for nonattendance. Once registered, each student is obligated to pay for their courses unless the student has dropped courses or the student completes a total withdrawal from school during the 100% refund period. If a student drops or completely withdraws from school after the 100% refund period, the student is obligated to pay tuition and fees according to the current semester refund schedule. Also, a student must pay for or drop courses by the payment deadline to avoid late fees and interest. (See Withdrawal on the previous page for further information.)

Tuition and Fee Schedule for Online and Independent Study Courses

Refer to wsonline.weber.edu/students/costs.asp for tuition and fee information for WSU Online and Independent Study courses, or call 1-800-848-7770 and choose "Online & Independent Study Student Services" from the phone menu.

Developmental Course Fee

Students who do not meet the requirements for enrollment in English EN1010 and Math QL1030-QL1080 (see Assessment and Placement on page 14) will be charged an additional fee for each semester they are enrolled at WSU until these requirements are met. Further information is provided by Academic Support Services, Student Service Center Room 160 (telephone 801-626-7847).

Course (Lab) Fees

Some courses require additional fees for materials and/or resources.

Rentals and Deposits

Rentals and/or deposits are required on certain items and are paid to the Cashier. Any applicable refunds must be obtained from the Cashier prior to June 30.

Surcharge

In 2003 the Utah State Board of Regents passed a policy designed to encourage students to make reasonable progress toward completion of degree requirements. The policy states that students who exceed 135% of the credits required for completion of their baccalaureate degree will be charged the full cost of instruction. For example, a student whose program of study requires 126 semester credit hours will be allowed a maximum of 170 semester hours in which to complete degree requirements (126 credits x 1.35 = 170 credit hours). Any work beyond the allowed 135% will be charged at the full cost of instruction which is an additional $60 per credit hour.

Credit hours that do not count toward the 170 hours are concurrent enrollment, advanced placement, and credit by examination. Individuals are also exempt from the surcharge if:

- the credits are necessary for the student to complete the student's program of study; and the excess credits are a result of circumstances where a substantial number of credits from a transferring institution could not be applied to the program of study;
- the excess credits are a result of a reasonable enhancement of the student’s major by the addition of a minor or emphasis to the program of study; or
- the excess credits are the result of a re-entry into the educational system by a student who may have accumulated a large number of credits, or even completed degrees, but where employment requirements obligate his or her return to college.

More information is available by contacting the Cashier's Office at 801-626-8006 (SC 209).
**Tuition Promissory Note**

When a student registers for courses at Weber State University, the student agrees to the terms of the "Tuition Promissory Note." The note states:

*For valued received, I promise to pay Weber State University (WSU), Ogden, Utah tuition and fees (principal) assessed to me for courses for which I have registered by the published payment due date for each semester. Also, I agree to pay for any additional fees and interest charges that are assessed to my account each semester. I hereby agree to pay a late payment fee of $40 if my account balance is not paid by the published payment due date. In the event I default on this agreement and it becomes necessary to place this account for collection, I also agree to pay collection fees, not to exceed 50.00% of the original principal balance, plus any court and/or attorney fees resulting from the enforcement of this agreement. Any collection costs stated above are in addition to the principal, fees and interest due on my account. In the event of default of any of the terms of this agreement, I hereby give to WSU Controller, or his/her designee, Power of Attorney to apply all monies due me from WSU to any delinquent portion of this note until the principal, fees, interest and costs are paid in full. I agree that WSU may repay my account balance from any TITLE IV funds due me. I understand that the principal amount is calculated based on my class-load each semester at WSU. All outstanding tuition account balances are educational loans extended with the express understanding that future repayment shall be made to the university. I further understand that my acceptance of these terms represents an extension of credit as a loan for an educational benefit by Weber State University, and as such, is exempt from discharge under federal bankruptcy code 11 U.S.C. 523(a)(8).*

**Billing Statement**

Tuition and fees statements are available on the eWeber student portal. Electronic statements and up to date balances are available in the student account at any time. Paper bills will be mailed once each semester one month prior to the start of each semester. Students are responsible for viewing up-to-date balance or e-statements in the student account if a paper statement is not received. It is the student's responsibility to make sure account balances are paid in full and on-time.

**Payment Schedule**

- Payment deadlines are listed on the Internet at weber.edu/cashiers. Tuition and fees may be paid by check, cash, VISA, Discovercard, or Mastercard.
- Monthly payment plans are available to help students who are not able to pay in full when tuition is due. (See Monthly Payment Plan Option below.)

**Late Payment Fee**

A $40 late payment fee will be assessed to all students who have not paid their tuition and fees in-full or have not signed up for a monthly payment plan. If a student has an outstanding balance after their financial aid or scholarships have been applied, the student is responsible to pay this amount by the payment deadline to avoid the late payment fee and interest charges. The $40 late payment fee and interest are nonrefundable and will not be waived.

If a student changes his/her schedule by adding classes, the student has until Friday at 4:00 p.m. each week to pay the balance or the $40 late payment fee will be assessed to the student account. Students should check their account balance each time a change is made to their schedule to determine the new balance due.

**Interest Assessment**

Interest will begin the fourth week of the semester. The annual rate is 12%. A student will not be assessed interest as long as the student is in a Monthly Payment Plan that covers all tuition and fees. Interest on unpaid balances will be assessed in addition to the late payment fee.

**Monthly Payment Plan Option**

The Monthly Payment Plan is a program intended to help students who are not able to pay their account in full by the tuition and fee deadline. Instead of one large payment, tuition and fees are broken down into equal monthly payments. Enrollment in a plan is available at the time of registration prior to beginning of each semester. See weber.edu/cashier for details about monthly payment plans.

**Personal Checks or eChecks**

Personal checks or eChecks returned by a financial institution for any reason are subject to a service charge and may result in the withholding of student records or dropping of courses.

**Delinquent Accounts**

Students with unpaid tuition and fees, room and board, parking fines, or other fees due to the University will have a hold placed on their records until such obligations are paid in full. The hold will prevent the student from registering for future semesters, viewing transcripts or grades, delay graduation, and limit use of the Wildcat and certain student services.

Unpaid accounts will be processed by University collections. In the event additional collection efforts become necessary, WSU may refer a past due account to an outside collection agency. All delinquent accounts are subject to collection fees, interest, plus all court costs and reasonable attorney fees. The collection agency and/or WSU will report delinquent accounts to a credit reporting agency.

**Third Party/Sponsored Payments**

Students are responsible for ensuring that appropriate documentation for third party/sponsored payments is submitted to the main cashier's office prior to the start of classes each semester. Students must comply with the terms of the agreement and verify that all tuition and fees changes are paid by the sponsor agreement. It is the student's responsibility to verify that any course or tuition and fee changes will be paid by the sponsor and that these changes are reported to the accounts receivable office for proper processing. If the sponsor does not provide funding by the end of the semester, the student will be responsible for payment of tuition and fees. The account will be considered delinquent if unpaid at the end of the semester. (See Delinquent Accounts above.) Contact 801-626-6263 for information on how to submit vouchers or contracts.

**Refunds and Reimbursements**

Student fees and course fees are refunded based on the University refund schedule. Late fees and withdrawal fees are nonrefundable. In most cases, if a credit card is used to pay for tuition and fees, refunds and residual funds will be credited to the credit card. All other refunds will be mailed to the student. Admission fees and recording fees are nonrefundable.

Refunds for dropped courses will be processed after the third week of class.

**Refund schedule**

The refund (reduction in tuition and fee assessment) schedule for a 15 week course is as follows:

- 100% Prior to the first week of instruction
- 100% During the first week of school
- 70% During the second week of school
- 50% During the third week of school

Please see the Tuition Refund Calculation examples on the next page.

There is no refund after the first three weeks. See weber.edu/cashiers for refund schedule for courses that are less than 15 weeks, independent study, on-line courses, and other distance learning programs.
A $17.50 nonrefundable processing fee is assessed for all withdrawals from school.

Tuition Refund Calculation

Refunds (reduction in tuition and fee assessment) are computed based on a percentage of the credit hours being dropped, and are not based on the dollar amount paid.
